Wireless Presentation (Using **VIA**)

Step by Step guide

1. You will see the login page for the **VIA** on both screens

Wireless Presentation (Using **VIA**)

Step by Step guide

1. Click on the **VIA** app on your laptop
2. If you do not have the **VIA** app installed on your laptop, you can download from the device itself
3. The <Room Name> is the IP address of the device, you can key in the IP Address, in this case it is 10.2.62.38 on your browser

Wireless Presentation (Using VIA)

Step by Step guide

1. Click on <ADVANCED> and <Proceed to> as indicated

Fire Fox browser

Warning: Potential Security Risk Ahead

Firefox detected a potential security threat and did not continue to 10.2.62.38. If you visit this site, attackers could try to steal information like your passwords, emails, or credit card details.

[Learn more...](#)

[Go Back \(Recommended\)](#) [Advanced...](#)

10.2.62.38 uses an invalid security certificate.

The certificate is not trusted because it is self-signed.

Error code: `MOZILLA_PKIX_ERROR_SELF_SIGNED_CERT`

[View Certificate](#)

[Go Back \(Recommended\)](#) [Accept the Risk and Continue](#)

Red arrows point from the 'Advanced...' button in the top right to the 'Accept the Risk and Continue' button in the bottom right.

Chrome browser

Your connection is not private

Attackers might be trying to steal your information from **10.2.62.37** (for example, passwords, messages, or credit cards). [Learn more](#)

NET::ERR_CERT_AUTHORITY_INVALID

Help improve security on the web for everyone by sending [URLs of some pages you visit](#), limited system information, and some page content to Google. [Privacy policy](#)

[Hide advanced](#) [Back to safety](#)

This server could not prove that it is **10.2.62.37**; its security certificate is not trusted by your computer's operating system. This may be caused by a misconfiguration or an attacker intercepting your connection.

[Proceed to 10.2.62.37 \(unsafe\)](#)

Red arrows point from the 'Back to safety' button in the top right to the 'Proceed to 10.2.62.37 (unsafe)' link in the bottom right.

Wireless Presentation (Using VIA)

Step by Step guide

1. You will reach the landing page. Click on <INSTALL VIA> to start the installation on your laptop

Wireless Presentation (Using **VIA**)

Step by Step guide

1. After you have installed the **VIA** app, you will see an icon appear on your desktop
2. Click on the app to launch the application
3. Click on the (GET STARTED) button

Wireless Presentation (Using VIA)

Step by Step guide

1. Key in the IP Address (which is the Room Name) in the VIA dialog box
2. Click on <JOIN>

Wireless Presentation (Using VIA)

Step by Step guide

1. Key in your name.
2. Enter the code that you see on the screen to join

The screenshot shows the VIA Kramer mobile app interface. At the top, it says "Join a meeting at" followed by a location pin icon and the IP address "10.1.62.23". Below this, there is a text input field containing the name "ybwong". Underneath the name field is another text input field with the placeholder text "Enter Room Code". A red arrow points from the "Room Name : 10.2.62.38" text in the adjacent image to this "Enter Room Code" field. At the bottom of the screen, there is a red "Join" button and a "Change Room" link with a right-pointing arrow. The footer text reads "Powered By WOW Vision".
