Uninstalling Trend Micro Antivirus Software

Reference OS: Windows 10

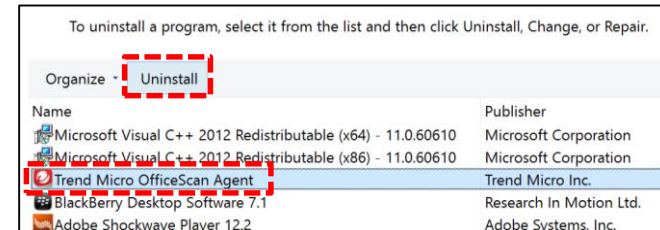

1. To uninstall, right-click on **Start** (button) and click on **Control Panel**.

2. Look for **Programs and Features** in **All Control Panel Items** and click on it.

3. Select **Trend Micro OfficeScan Agent** from the list and then click **Uninstall**.

4. Trend Micro should then proceed with the uninstall and close the window once the uninstall is complete. There should no longer be a globe icon in the lower right corner of the task tray if the uninstall was successful.
